

JOE TARTAMELLA

Joe Tartamella was introduced as the eighth head coach in the history of the St. John's women's basketball program on April 27, 2012.

In his four years at the helm of the Red Storm, Tartamella has continued the tradition of success that he helped to implement as a member of the coaching staff from 2002-2012.

Under Tartamella, 38, St. Johns has made three trips to the NCAA Tournament and averaged 22 wins a year, while his players have garnered an array of individual awards. Most notably, Tartamella has had four players selected in the WNBA Draft in his four-year tenure, as Nadirah McKeith and Shenneika Smith were taken in 2013 and Allyyah Handford and Danaejah Grant were picked this spring.

On Jan. 22, 2017, Tartamella became the fifth coach in St. John's women's basketball history to win 100 games. In the process, Tartamella became the third-fastest coach to reach the milestone. More than half of Tartamella's win have come in BIG EAST conference play, one of the toughest conferences in the nation.

Tartamella led the 2016-17 St. John's team back to the postseason for the 10th-consecutive season as the Johnnies advanced to the WNIT Round of 16 for the fourth time in five total appearances. Additionally, the Red Storm reached the 20-win mark for the fourth-straight year. Three of Tartamella's players were recognized by the BIG EAST following the 2016-17 campaign as Jade Walker earned a spot on the All-BIG EAST First Team, while Aaliyah Lewis became just the second player in program history to be named Defensive Player of the Year after the senior earned a share of the award. Finally, rookie Alisha Kebbe was named to the BIG EAST All-Freshman Team after taking home the conference's Freshman of the Week Award a league-best four times during the regular season. On Jan. 22, 2017, Tartamella became the fifth coach in program history to win 100 games with a 60-50 win over Providence at Carnesecca Arena.

In 2015-16, Tartamella led the Red Storm to its first conference Championship in 28 years, as the Johnnies claimed the BIG EAST Tournament crown following three wins in three days at DePaul. Their Windy City streak included a win over the top-ranked Blue Demons on their home court in the semifinal. The Red Storm picked up wins over three ranked opponents during the campaign, marking the first time that St. John's has beaten multiple ranked opponents in the same season since 2011-12.

In 2014-15, Tartamella guided St. John's to the postseason for the eighth-straight year, taking the Red Storm to the WNIT Round of 16 for the third time in school history. That season marked the second time in Tartamella's four-year tenure as head coach that St. John's has won at least a pair of postseason games.

As a second-year head coach in 2013-14, Tartamella piloted the Red Storm to 23 victories and a trip to the second round of the NCAA Tournament, the program's fifth-straight trip to the Big Dance. Aside from the team's NCAA Tournament berth, the campaign featured a number of other highlights, including a win over nationally-ranked Texas A&M at Madison Square Garden, a 13-5 BIG EAST mark, the program's first appearance in the BIG EAST Tournament Final since 1988 and an 11-game winning streak.

In his first season as head coach, Tartamella guided the Red Storm to its fourth-straight NCAA Tournament berth after finishing the season tied for third in the BIG EAST Conference with an 11-5 record and winning eight of its last 10 regular season games. St. John's was also the host school for the First and Second Rounds of the 2013 NCAA Tournament.

Regarded as one of the top up-and-coming mentors in women's basketball, Tartamella's coaching career was forged over a nine-year tenure assisting St. John's all-time winningest coach, Kim Barnes Arico. Beginning as a Red Storm graduate assistant in 2002, Tartamella worked his way through the ranks and served as Barnes Arico's associate head coach for the four seasons leading up to his elevation to head coach. He has been an integral part of a staff that has been to seven NCAA Tournaments, including St. John's run to its first-ever NCAA Sweet 16 in 2012.
